I can provide following evidences to prove that this is MY laptop :p

- Wallpaper
- Various folders on the desktop that can only be mine. For example, “B.Tech Projects” (all those projects that I have done in my undergrad), “US Preparations” (all those docs that were required for my journey from India to US), “F.R.I.E.N.D.S” (as I am a die-hard fan of friends TV Series:D)
- .JPEG files- My photos
- Last but not the least- Beats Audio :p
